## Little Gifts

can make such a big difference to our patients. So please, this Christmas, make a **'little regular monthly gift'** to support our patients. A little monthly gift – all adds up – to help us purchase vital medical equipment such as:

☀ **Hybrid mattresses** – essential for providing extra comfort, dignity and support for frail patients.

★ **Syringe pumps** – critical for patients who can't take oral meds to help ease their symptoms of pain and nausea.

★ **Specialised beds** – that patients can adjust with ease ensuring they feel comfortable at all times.

## Thank You!

I want to give a 'little monthly gift' to help provide comfort and dignity for patients.
